Dear family of Respected professor Lee-Chia-Ping,

I am writing to express gratitude for awarding me the Professor Lee-Chia-Pi's Filial Piety Scholarship. Thank you for your generosity as I am honoured to be one of the recipients of this fantastic program. I am Neha Sharma, an International student in NTUST. I am currently pursuing as a PhD scholar in department of chemical engineering. I come from a background where nobody has made their career in research field. But I always dreamed of becoming a scientist. Thank you for your generosity, which not only inspired me but also has allowed me to take a step further to achieve my goal of becoming a great researcher like Professor Lee-Chia-Pi. As I am pursuing my PhD degree at National Taiwan University of Science and Technology. I am very thankful for receiving your thoughtful gift. I always wanted to do something very good in research in science. When I got to know about how great researcher and professor Lee-Chia-Pi. I will be very lucky if I can become even a little like professor Lee-Chia-Pi. I am excited about completing my PhD, with this I hope to become a good researcher and a good person. Thank you again for your support. I promise to work hard and stay focused to achieve my goals.

Thank you again for your thoughtful and generous gift.

Respectfully,

Neha Sharma
